Anti-Bullying Workshop

For Anti-Bullying week this year, we tried something different. Children in Key Stage 2 participated in virtual reality workshops as a different way to get over the key messages about bullying. A copy of our Ant-Bullying Policy is on our website, if you are interested in how we approach this issue in school.

Miss Wedderburn

Miss Wedderburn has decided to pursue opportunities elsewhere. We would like to take this opportunity to thank her for her commitment and professionalism whilst at St. Paul's School and wish her well for the future.

Local Authority Visit

Last Monday the Director of Education and the Director of Standards came to visit. Next Tuesday we will have a Local Authority inspection, and you may find people coming to speak to you in the playground before school.

Professor and Dr Koshy's book

The long awaited books from our challenge workshop with Professor and Dr Koshy arrived this week, and you should have received a copy if you signed in for the workshop. If you come to the workshop and have not received one, please let me know.

Winter Splash Rehearsals

Oak Class are participating in a music performance which will take place at the Royal Festival Hall in December. Rehearsals will start next week for their performance. Letters have been sent out to Oak Class parents about this.

Miss Diane

Miss Diane worked at St. Paul's for many years, but has not been able to work for some time, due to health problems. She has now taken retirement, and we will be saying goodbye to her in an assembly next Friday.

Remembrance Service

I am writing this before we have held the service at 9.15 a.m. today, but the quality of the children's contributions that we rehearsed yesterday was truly wonderful and very moving. Thank you to the children and staff of Willow, Larch and Ash classes for putting so much thought into this special commemoration.

Flu immunisation

Children from Reception to Year 4 will be having flu vaccinations on Thursday 16th November, if they have permission from their parents or carers.
