## Summer Barbeque – Sold Out

I am afraid that the Summer Barbeque tickets were sold out in two days! I know there are some people who have been disappointed, but we have to set the number at the limit we have for health and safety reasons. It is good to know how popular the event is, and are sorry that some people who wanted to come, have not been able to get tickets. Please do not try to come to the barbeque without a ticket, as you will not be admitted.

## Wanted – dressing up clothes

Acorn Class would welcome donations of children's dressing up clothes which are no longer needed. Please take any donations to Miss Bagnall in Nursery– thank you!

## Free Smoke Alarms

The Fire Service came to work with Year 5 and Year 2 yesterday. Every year they do fire safety talks to these year groups, and the children learn so much – they will probably come home and nag you about fire safety in your home. What the Fire Service did say to the children is that you can get free smoke alarms and have them fitted if you call 08000 284428, so please take advantage of this, if you do not have smoke alarms at home.

## Parking on the Pasley Park Estate

There has been a complaint from residents on the Pasley Park Estate that parents from St. Paul's School are parking in there. This is a private estate, and I would ask that parents respect our neighbours' wishes, and not park there. Thank you.

## Transition from Reception to Year 1 Meeting

There will be a meeting for parents whose children are moving from Reception to Year 1 on Thursday 13<sup>th</sup> July from 2.30 -3.15. There will be free resource packs for activities for the summer holidays, so please come!
