## **E-safety Meeting**

Thank you to all the parents who attended the E-Safety meeting for parents on Tuesday evening. Mr Jibb spoke about the various types of issues that children may have to deal with on the internet. If you missed the meeting but would like more information, please speak to Mr Jibb, as he has some useful leaflets for parents.

## **Black Caribbean Week**

Next term we will be celebrating Black Caribbean Week, and this week some parents came in for a planning meeting, bringing some great ideas with them. I would like to thank all those who have given their time and enthusiasm to this event, which promises to be very exciting.

## **Tag Rugby Festival**

This week Mr Trickett took a group of Year 5 and 6 children to a Tag Rugby event. We are very fortunate to have so many sporting opportunities for our children to participate in this year.

## **Visit from a Sporting Star!**

Just to demonstrate why these sporting opportunities are so important, we had a visit from a former pupil of St. Paul's School, Jonathan Illori, who is now a successful athlete in the triple jump event. He was in the Walworth area, as a company is making a film about his life, and he wanted to come and speak to the children. His visit was inspirational to the children, and he wants to come back to do some athletics with our school. It will have to wait though – his first task is to ensure he qualifies for Team GB at this year's Olympics! We will be putting a video of his assembly on our website.

## **KS1 Playground in the Morning**

If your child is in KS1 and not participating in Soft Start in the mornings, please could parents stay with them until the bell goes, as we do not have enough staff in the playground to supervise a large number of such young pupils? Thank you for your help.

## **Website Photographs**

Our website manager was in this week photographing around the school, to update the photos on our website, as some are really quite old now.
