RSPCA Visit to Key Stage 1

This week the Royal Society for the Prevention of Cruelty to Animals came to speak to Key Stage 1. They discussed ways to care for animals and why it is important that we do so. This has already inspired some lovely writing from the children. Having visitors in school always inspires the children to learn even more.

Blue Elephant Theatre

On 15th May at 5pm there is a show at the Blue Elephant Theatre called Penguinpig. The show is for 3-8 year olds, and is about e-safety based on the best selling book. The show lasts for 60 minutes, and the tickets costs £2.50 for Southwark residents (proof of address must be provided) Tickets must be booked in advance. To book, call 0207 701 0100.

SATs Week for Year 6

A letter has gone out to Year 6 parents with information about SATs week. The tests are every day from Monday to Thursday, and on these days, Year 6 pupils should come into school by 8.15 a.m. They will be given breakfast and some mental warm-ups to get them ready for the test that day. It is a very intense week, and so it is only right that on Friday they get a chance to relax. Miss Clyne is organising a day in the park, doing some sports. Please make sure the children get a good night's sleep before the tests, as they will need to be as alert and refreshed as they can possibly be.

Friendly Netball Matches

Prior to the start of the netball league for this year, St. Paul's team has played some friendly matches with St. Joseph's Borough School. It has been lovely seeing the children get to know each other, and help each other to improve their netball.

Caribbean Week

Today there has been another planning meeting for the Caribbean week, which will take place in the week beginning 6th June. Thanks to all the staff and parents who have taken such an interest in organising the week, which is set to be a great success.

Chestnut Class Assembly

This morning Chestnut delivered an amazing class assembly on one of our new school values – compassion. The children used drama to show how important compassion is in our school life. It is lovely to see how clearly our pupils are beginning to speak in front of the whole school now, so we can hear every word. They also sang a song that had been specially written about compassion, which we should all learn now.
