## Road Safety Show

Key Stage 1 enjoyed a show on road safety on Wednesday. A theatre group came into school to teach about road safety in a fun and memorable way. The children really enjoyed it.

## Trip to the House of Vans

Ten Year 5 children took part in a workshop on skateboarding on Monday. This is one of many sporting opportunities that children have been able to participate in. They went up to Waterloo Bridge to the skateboarding park, and had a very good time. Thank you to Mr Floyd and Miss Sedi for taking them.

## Playleaders Conference

One of the improvements to our lunchtime arrangements has been the use of Year 5 and 6 playleaders to help facilitate play activities. They were specially trained last year, but we need more of them, so we took another five children to a playleaders conference to train up more playleaders this week. It is good to see the children taking leadership roles in school.

## Football Team

The school football team had a successful match this week, beating Surrey Square School 6-4. We are also proud of the sportsmanship that our pupils show when they attend sporting events.

## Inspection

The Local Authority came in this week to review how the school is doing. You may have been asked some questions by the inspectors that came in when they were interviewing parents in the playground. They were focusing on behaviour in the school, and were very pleased with the success of our new policy and provision, as staff, parents and pupils felt there had been a marked improvement since this came in.

## Miss Lloyd and Mr Dalton

You will know that Mr Dalton is leaving at the end of term, but also Miss Lloyd is leaving St. Paul's as she is moving to another part of the country. We will miss them both, and wish them all the best for the future. Ms Belli will be replacing Miss Lloyd after Christmas, and has been in Olive Class today, so Olive Class parents will already have had a chance to meet her.
