Autumn Term 2017

Key Stage One

<p>SEAL</p>	<p>In SEAL this half term we will be looking at the following topics...</p> <p>Health and wellbeing: Knowing what happens as we grow (life cycle), keeping healthy (food, rest, exercise), keeping clean and knowing how diseases are spread</p> <p>Living in the wider world: Learning about a range of religious festivals, recognising consequences of bad behaviour</p> <p>Relationships: Knowing what makes a good friend,</p> <p>An ongoing target for all children is to always 'Give it a go!' and challenge themselves. We are also encouraging the children to show the school values of 'trust', 'respect' and 'compassion'. Please promote these at home too!</p>

<p>Reading</p>	<p>At St Paul's we would like you to listen to your child read the book that they bring home from school every evening. Whilst listening to your child read please encourage them to point to each word, use their phonics (sounds) to read new words and ask them questions about the text. Each child has a Reading Record for you to make comment in before their book can be changed. These need to be brought into school every day. Reading books will be changed every Thursday but if your child finishes their book early you may see the teacher and ask for it be changed. Encourage your child to read a range of texts at home including labels on foods, shopping lists, newspapers and other books you may have. At the back of the Reading Record there is also a list of High frequency words that children should know off by heart - practice these daily.</p>																												
<p>Homework</p>	<p>Homework will be given once a week on a Friday. It is due in on a Thursday. Please read through homework tasks with your child and support them where needed as these tasks relate to their learning in school. Children should also be supported in learning their multiplication tables (2's, 5's and 10's) and spellings at home. Any extra projects that children have done at home are welcomed to be shared in school.</p>
