St. Paul's Day

There are two celebrations for St. Paul's Day. The first one is on Sunday 24th January at St. Paul's Church at 9.30. Father Graham, Mother Katy's predecessor, is visiting that day, so some of you might like to go along to meet him again. This followed by a lunch.

On Monday 25th January, the school is having its own St. Paul's Day celebration, with a church service at 9.15 a.m. The school governors will be visiting the school afterwards, and seeing the children at work in their lessons.

Athletics Team

The athletics team, who did so well last week, came 7th out of all the Southwark schools on Monday. They have won a trophy for the school, so we are absolutely delighted and so proud of them.

Free Cycling Workshop

In the Easter Holidays there is a free cycling workshop at either Burgess Park or Dulwich Park for children over 9 years of age. If you are interested, please call 020 303 16730 or go on the website – www.cycleconfident.com.

St. Saviour's and St. Olave's Production

On Wednesday Oak Class went to see a production of "Get Santa" at St. Saviour's and St. Olave's. The children were delighted to see some of our former pupils in leading roles. Thank you to St. Saviour's and St Olave's School for inviting us.

NSPCC workshops

Years 5 and 6 also took part in workshops run by the NSPCC, following up from their assembly last week. The focus was on keeping themselves safe. The children were enthusiastic participants according to the NSPCC workshop leaders.

E- safety Workshop for Parents

On 2nd February there is an E-Safety workshop for parents at 3.30 pm after school. There have been several E-Safety issues in school, particularly amongst the Year 5 and 6 pupils, and we are hoping that this workshop will help parents understand more about what can happen online to their children. Please attend if you can.

Sainsbury's Active Kids Vouchers

We are collecting Sainsbury's vouchers, so if you get any, please put them in the box in Reception. Thank you.
