3<sup>rd</sup> November 2017

## Welcome Back!

I hope you all had a good half term. We were very lucky with the weather, and I know many of the children enjoyed being able to play outside during the week.

## Road Safety Leaders

Five children were chosen to be ambassadors for school road safety. Their role will be to promote road safety throughout the school during the year, and they participated in training workshops on Thursday. They received the Bronze Junior Travel Ambassador badges from Councillor Octavia Lamb.

## Football Team

The football team played again this week and drew 5-5 with Charles Dickens School. It was a tough match, and they did well to draw. Well done!

## Poppies for sale

We have been selling poppies and related products in the playground before and after school. This is very popular with the children, and the money goes to a good cause. They will be on sale next week as well.

## Remembrance Service

Our Remembrance Service will be held next Friday 10<sup>th</sup> November at 9.15 a.m. in St. Paul's Church. All are welcome as usual.

## Motor Neurone Disease Association

We have received a letter from the Motor Neurone Disease Association congratulating us on our donation of £964.32. It is a fantastic achievement. They thank each and every staff member and pupil for their contribution and I would like to add parents to that, for all their generosity.

## Footwear

Please remember that children should wear school shoes in school. Trainers and boots are not suitable. If your child wants to wear boots to school in the winter months, please make sure they bring school shoes to change into at school. Thank you for your co-operation.

## Open Day – Tuesday 7<sup>th</sup> November 9.30 -11a.m.

If you know parents who have children in other Nurseries, please let them know about the Open Day. Thank you. There will also be a meeting on 9<sup>th</sup> November with Nursery parents, about the Reception application system.
