Easter Eggstravaganza – tickets have gone out

This week, the head boy and head girl pulled the ticket requests out of the boxes and those who were successful have now received their tickets. Commiserations to those who were not lucky enough to get tickets. I hope that the process feels fairer than the first come, first served system, and that everyone feels they have had an equal chance to get tickets.

St. Patrick's Day – Monday

St. Patrick's Day is on Saturday this year, so we will dress up in green on Monday to celebrate this.

School Food Matters Project

This week, children from Larch Class participated in a gardening session with a professional gardener. Unfortunately, the weather was not very favourable, but nevertheless it was lovely to see the children working in our school garden.

Going Home Unsupervised

We allow Year 5 and 6 children to go home without their parents. However, it is not fair to children just learning independence outside, to be responsible for younger children. If you would like your Year 5 and 6 child to enjoy some independence and walk home alone, please collect your younger child yourself. We need to make sure our children are safe at all times. Thank you for your co-operation.

Natural History Museum

Next Tuesday, Key Stage One classes will be visiting the Natural History Museum. Thank you to all the parents who have volunteered to help with the trip.

Lent Call fundraising

On Friday, Years 3 and 4 will be raising money for Bishop Christopher's Lent Call during Active Hour. Other events in other classes are planned between now and the end of term. Hopefully, we will raise a lot of money for the worthy causes in the Diocese, The Holy Land and Zimbabwe.
