

ST. PAUL'S CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER

20th April 2018

Welcome back to school for the Summer Term.

Thank you Year 6 Pupils

The Year 6 pupils who attended Easter School were exceptionally well behaved and made the most of the opportunity to prepare for the Year 6 SATs, which begin on Monday 14th May 2018. Please continue to support the children to complete homeworks, read regularly and complete additional tasks on Spag.com (for which Year 5 & 6 children have logins for), in preparation for the tests.

Ofsted

Please see separate letter for details of our latest Ofsted report.

Warm Weather

With the warmer weather, children may choose to bring in plastic bottles of water (No juice, cans or glass bottles). We also have sun hats for sale in the office.

Bike Ability

Please ask your children in Years 3 and 4 what they have learnt on their Bike Ability training this week and encourage them to use the skills of keeping safe when out on bikes.

St Georges Day – Monday 23rd April

Please wear red and white to celebrate this day. This can be their school uniform or own clothes.

Staffing

Mrs Brady continues to be away sick. As with before the holidays, the Deputy Head teachers: Mrs Crannitch and Mrs Gadd, and the Assistant Head teacher: Mr Anderson are ensuring the school continues to run as normal, please see them if you have any questions or conversations that you would usually have with Mrs Brady.

A further request for spare PE kits

To ensure all children take part in all PE with a PE kit. We would appreciate any unwanted PE clothes and trainers for our spare kit, in all sizes. Please hand into the office.
