## The St Paul's Journey - The actions this week include:

Our main focus this week has been KS2 SATS. We were monitored by Southwark Local Authority. They described the procedures followed at St Paul's as excellent. They also commented on the strong care shown towards the children, in what can be a stressful week.

We have shown prospective teachers around the school who were enthused by the positivity and energy of the staff and children. Our aim next year is to be fully staffed with permanent teachers in order to have consistency for your children and their learning.

With the Governors, we are currently confirming details to refit the Computing Suite. The plan is for this to be completed in the summer holidays to enable an improved Computing Curriculum to be taught and greater use of ICT across other subjects.

**Thank you to the parents who met with Governors this week. The next meeting with the Chair of Governors: Mr Peter Chadwick, will be on Thursday 7<sup>th</sup> June from 8.45 -9.30am. This is an opportunity to ask more questions and share improvements and/or concerns with the Chair.**
