## **The St Paul's Journey: Consultant Headteacher news**

As you know Mrs Brady has been off sick and Mrs Crannitch and Mrs Gadd the 2 Deputy Headteachers have been stepping into do the Headteacher role in her absence. We are now lucky enough to have a Consultant Headteacher coming in for 3 days a week starting after the May half term. Her name is Miss Imogen Woods and she is a Headteacher in a school in Surrey, which is also in the Diocese of Southwark. Miss Woods has been in school today meeting the children and teachers. She had lunch with the School Council and some of you may have already met her in the playground after school. Miss Woods will work with the Senior Leaders and Governors to implement the action plan as a result of our recent Ofsted inspection. She is keen to meet with you in the playground and will be setting up class 'Meet Miss Woods' times in school, after half term. The school is very much looking forward to the experience that she will bring to the team. Please look out for her in the playground before and after school after the half term. There will be more information from Miss Woods in subsequent newsletters.

## **Pentecost Service**

The Pentecost service was a success. Well done to all the readers and the choir. Thank you to all the parents who attended this.

## **KS1 SATS this week**

The Year 2 children have been working hard doing their KS1 Reading, SPAG and Maths tests. These results are used to inform the teacher's assessment of each child in Reading and Maths. A big thank you to all the parents for their support and to the adults who supported the children in school for the tests.

## **Drinks in school**

We encourage you to send in a water bottle with your child as the weather becomes warmer. Please note that any fizzy or flavoured drinks should not be in school, only plain water.
