## **FAITH – HOPE – LOVE**

### **St Paul's Journey update**

Learning in the school is going very well indeed! The children are being very well behaved in class and have really good attitudes to their learning. The teachers are working really hard and as you all know regularly going that 'extra mile'. Do think of us next week as we welcome a team from the Multi Academy Trust who will join us on a Teaching and Learning Review day. The day will involve speaking to leaders of various subjects, ages and areas across the school. It will include finding out where we are in terms of the new Ofsted framework and where our next steps are. There is a feeling of positivity within the school; putting the children at the very heart of what we do. We will of course update you on the day's outcomes and share news in our Parents' Group 'St Paul's Journey' and on the newsletter. We do appreciate our parents very much and would like to thank you for the encouragement and support as we move onward and upward.

### **Parents' group meeting**

Our Chair of Governors, Peter Chadwick, will be hosting his regular Parents' Group – St Paul's Journey next Thursday 21<sup>st</sup> November at 8.45am. Please join him and our staff governor Donna Mustafa to find out more about the schools journey, give your suggestions and ask any questions you may have. We look forward to seeing many of you there again!

### **Remembrance service**

A big thank you to all the parents and family member who attended our Remembrance Service at St Paul's Church on Monday 11<sup>th</sup> November. The Faith Team did a fantastic job and the choir wowed us with their singing. It was, once again, a real team effort. Father John, Mrs Jones and Miss Mills and various children put together another service to be proud of, well done team St Paul's!

### **Walworth Wonderland at St Paul's**

The school's annual Christmas Disco and workshop is happening next month (Thursday 5<sup>th</sup> December from 4.30-6pm), tickets go on sale on Tuesday 19<sup>th</sup> November after school. They will be sold after school daily. The cost of tickets are £2 per adult, £1 per child and children under the age of 3 are free, these will sell out quickly, so don't miss out. This year we will have the Santa's Workshop, which includes fun and festive craft activities and the opportunity to take your own photo with Santa. There will also be a disco and party food to purchase. We look forward to seeing many of you there. The cost of the Santa's Workshop will be £2 and you can pay for entry to this on the night.

If you have any unwanted gifts or toiletries that you can donate to the raffle please see Miss Donna M or Miss Linda May, or hand into the office. Many thanks in advance!

### **Eco-Team success**

Our newly formed eco-team under the expert guidance of Mr Nouri have already gained 2 awards for the school. Two children from each class were voted by their peers and will meet with Mr Nouri at least once a half term. So far this year they have secured a Level One and Level Two School Gardening Award from the Royal Horticultural Society. Watch out for more news from this super team throughout the year!

### **Year 6 residential meeting**

There is a meeting about the annual Year 6 residential on Wednesday 20<sup>th</sup> November at 5pm. At this meeting you will see a short video about the venue '4<sup>th</sup> dimension', hear from the teachers about the wide range of activities and have the opportunity to ask any questions. We will share the cost of the week long residential and the options for payment as well. Please come to the school office for just before 5pm, the meeting will be held in Elm class.

### **After School Club**

Due to various events happening over the next few weeks in school, After School Club will not be running. There will be no After School Club on the following dates:

5<sup>th</sup> December 2019

13<sup>th</sup> December 2019

19<sup>th</sup> December 2019

### **Being on time – a reminder**

Don't forget that the school playground is open from 8.30am each morning and the bell goes promptly at 8.45am. Please make sure that your child is in school for the bell at 8.45am each morning. Children who arrive after 8.55am will need to come in via the office and sign in as late. If your child is late regularly then the school will send out a letter and then arrange to meet with you regarding this. We want all children to be in on time and making the most of their learning. In Year 1-6 every class has mental maths practise for the first 10 minutes of everyday. If your child is missing this it will impact on their progress and attainment in Maths.

**Wishing you all a happy and restful weekend  
From The St Paul's Team**
