The St Paul's Journey

A message from Miss Woods

Many thanks to all of you who came along to the parents' and carers' meeting yesterday morning. I will be joining our Chair of Governors for his next meeting on Thursday 21st June from 8.45 -9.30am. so if you are able, please do come along to that too.

Updates: We have had a busy and very successful first few weeks with visitors from the local authority, diocese and schools we are partnering with. These meetings are helping us to put in place some excellent partnerships focused on improving our school. The staff are working hard and have been extremely warm in their welcome to me and are a real credit to your school. I am, as I am sure you are very proud of them. The children have been lovely too. Thank you to those of you I have met or spoken to so far.

We have wonderful news that we have been awarded £110,000 funding to improve the classrooms and refurbish our Art Block. This is a considerable amount 10% of which comes from parental contributions to the school. Thank you if you do contribute to the school fund. Your help here makes a huge difference.

We are pleased to announce that we have processed an order for a new suite of computers which will be installed over the summer holidays ready for our new year in September. These new computers will enable the children to access the curriculum to a high standard.

Thank you again for your warm welcome. Do please come and see me in the playground if you have any questions or simply want to say hello! I am at St Paul's on Tuesdays, Wednesdays and Thursdays but will be receiving emails and queries on any day. I look forward to meeting you all over the next few weeks.

After School Club

We have some places in our After School Club for children in reception to Year 6.

It costs £30 per week or £6 per day.

Miss Madge has just bought some new arts and crafts, as well as some new games.

Class Assembly Changes

Friday 22nd June – Sycamore

Friday 29th June – Maple

We hope you will be able to support your child and their class on the above dates.

KS1 Trips to Tower Bridge next week
