Complaints Policy

It is important that parents/carers, staff and governors have a policy and procedure for concerns and complaints which is understood by all.

By this policy we hope to:

Reaffirm the partnership between parents/carers, staff and governors as they work together for the good of the pupils in the school

Ensure that it is easy for parents/carers to inform the staff and governors of any concerns they may have

Ensure that staff and governors will respond positively and quickly to complaints from parents

Our Intentions:

All concerns or complaints will be dealt with honestly, politely and in confidence

All concerns or complaints will be investigated thoroughly, fairly and as quickly as possible. (Please see Complaints Procedure)

The school's attitude to a pupil will never be affected by a parental/carer complaint

All staff will be made aware of this policy and the accompanying procedure

Equal rights will be given to the person complained against and the person making the complaint

The school will avoid directly involving pupils in a complaints procedure

The school will regularly review its system for monitoring concerns and complaints received from parents

The school will make every effort to keep to timescales, however some flexibility must be allowed to meet particular circumstances

Advice for Parents/carers:

If you have a concern about anything we do you can tell us by telephone, in person or in writing. If any of these are difficult for you, a friend or adviser can speak to us on your behalf.

Most concerns or complaints will be sorted out quickly either by addressing the issue or by explaining the school's actions to you.

Try to go to the member of staff involved or your child's class teacher who will either deal with your issue or pass you onto someone who is more able to help.

Please remember the beginning or end of the school day can be a very busy time.

If you talk to a teacher at these times, for practical reasons, it may not be possible to sort things out there and then. Be ready for the teacher to say she or he will telephone you or see you as soon as possible. This is because we want to

give your worries the attention they deserve. You should not be asked to wait more than a week and often she or he will discuss things with you much sooner.

If you have already told us about a concern but are not satisfied with how we have responded, you may wish to make a complaint.

We have a complaints procedure to make sure we respond to complaints in the best possible way. Our aim is to resolve complaints as quickly and as effectively as possible.

The complaints procedure will tell you exactly what will happen and how long it should all take.

Mission Statement

St. Paul's is a voluntary aided Church of England School for children aged 3 to 11.

St. Paul's Primary School is first and foremost a Church of England foundation which strives to offer all pupils, staff, parents/carers and friends the experience of a living, caring and worshipping community. We aim to work in partnership with family and parish communities, complementing and supporting all on their faith journey.

We are concerned with the development of the whole child: spiritually, intellectually, socially, emotionally and physically. Therefore whilst the school provides for a broad and balanced curriculum to meet the needs of pupils of all abilities, a major aim is to enable all pupils to develop an understanding of themselves, of others and of society in general.

We are committed to an equal opportunities policy and will stand firm in the rejection of all prejudice. We strive to develop a community where mutual respect reigns, where value is placed on social and cultural diversity, where personal standards of behaviour and work are high and where all grow to recognise their responsibilities, both to themselves and to others.

Complaints Procedure

These stages are in line with guidelines provided by Southwark Diocesan Board of Education.

Informal Stage

Discussion of concerns with class teacher.

For children with SEND, please discuss your concern with the SENCO/Inclusion Lead.

If not satisfied parents/carers may ask to discuss concerns with the Headteacher. An appointment can be made via the school office – 02077034896.

If still not satisfied parents/carers may make a formal complaint in writing to the Headteacher. If they wish, parents/carers may complete a Complaints Form, available from the office, in preference to a letter.

Formal Stage

On receipt of a formal complaint the Headteacher will investigate.

The Headteacher will notify the outcome of the investigation to the parents/carers, saying that if they are not satisfied, they may send a written complaint to the Chair of the governing body.

The Chair of the governing body will then investigate.

The Chair will send a written summary of findings to parents/carers together with his/her decision.

If the parents/carers are not happy with the Chair's decision they may ask for the matter to be referred to the governing body's Complaints Committee.

Following a referral by the Chair of Governors, the Complaints Committee considers the complaint by listening to all parties involved, and reaches a decision; the parents/carers are informed of the decision. The committee's decision is final.

Some matters, such as Safeguarding (child protection), are the responsibility of the Local Authority rather than the governing body. The Headteacher will clarify this for parents/carers during discussion in the Informal Stage.
