Sports Premium Budget

FAITH- HOPE- LOVE

Summary Information			
Sports premium money is ring-fenced funding from central government to improve the provision of PE and sport.			
Academic Year	2019-2020	Predicted total Sports Premium budget for the academic year	£18 110
Total number of pupils	Y1-6 Pupils 210	Review Date	July 2020

School focus with clarity of impact on pupils	Actions	Cost	Evidence and Impact	Lessons Learned for next year
Increase all children's participation in The London PE & School Sports Network (LPESNN)		£4,500		
Improve results in matches and enable more children to compete in external competitions	<ul style="list-style-type: none"> • Sign up for competitions in advance • Aim for each class to attend one sporting event a year • Identify any barriers to involvement and overcome these barriers e.g. staffing, equipment, transport 		As well as Years 5/6 participating Year 3 also attended a days competition. More needs to be done next year to identify when competitions are taking place and it is an appropriate time within the curriculum to attend	Identify competitions early so that all classes can be involved at least once during the year
Continue to raise the profile of P.E. in the school and ensure children are experiencing a broader range of sports.	<ul style="list-style-type: none"> • Develop the PE curriculum and skills in Gymnastics and Dance across all age groups using the LPESNN plans in all lessons as this will ensure consistency in all teaching • Ensure more school sporting events take place across the year, involving all children positively. E.g. Sports Days, participation in inter school competitions 		Due to coverage children are aware of a broader range of sports available and planning supports teachers to deliver these sessions	Identify early in the year opportunities to arrange intra school lunchtime competitions to be supervised by MMS. Have it up and running by Autumn 2- following social distancing guidelines.
Consistency in planning and delivery of lessons	<ul style="list-style-type: none"> • Provide teachers with PESSN plans and if appropriate ask for CPD from the network to help implement these 		Available and training done with member of network to support delivery.	Follow this up with sharing of planning and if possible additional teaching support from the network
Continue to provide high quality PE by using specialist PE teachers who are also providing staff CPD	<ul style="list-style-type: none"> • CPD for teachers when supporting the specialists • Good examples of modelled lessons that further engage the children in sports • 2 afterschool clubs for KS2 pupils: Years 3/4 multi-sport challenge Years 5/6 specialist training for competitions 	£7,000	Good modelling of plans and how to implement them. Additional training done for all teaching staff so more confident with delivering sessions. Children were able to participate in all the after school competitions and	If possible continue with the specialist teaching for some classes once a week. Afterschool clubs to enable chn to train for competitions to continue to raise the profile of sport within the school. Results: Netball Hi-5: 3rd Boys Football league:4th

			one off netball/ basketball competitions. Free afterschool sports club enabled identified PP children/ GD children to attend	Basketball league: topped group as competition unfinished
Quality and sufficient equipment for sports to be taught correctly	<ul style="list-style-type: none"> Termly check on equipment. Identify by liaising with teachers –what is being taught the following term and ensure there is an adequate amount for the subject to be taught correctly. Where appropriate, when buying new equipment use the old in the playground at playtimes. 	£4,000	A new shed and equipment was purchased- there is now enough equipment for all children to have their own in every PE lesson. In addition EYFS specific equipment was purchased to support with early learning goals	Equipment shed needs to be maintained and equipment replaced by all staff using it. Weekly checks and keys kept at a central location.
Provide sufficient equipment to run a daily lunchtime sports club/ inter school competition in years 4-6	<ul style="list-style-type: none"> Establish a weekly sports competition rota that focuses on engaging a variety of children including girls own, boys own and mixed competitions. Football- autumn term Handball- spring term 		Due to the school shut down this budget was not spent as an inventory had just been completed	Use old PE balls etc for this. Was done half way through the year but liaise with MMS about what is needed for this to run successfully
Support children in their outdoor learning	<ul style="list-style-type: none"> Use monies to pay overtime for staff when they are attending after school competitions 	£510	Not all competitions have run (half budget spent)	Continue with using the budget for TA's attending competitions where appropriate if T not able to Continue to offer financial
TOTAL		£18,110		
SPENT		£16,000		
CARRIED FORWARD		£2,100	Due to the cancellation of competitions and the residential some money was left over from supporting children in their outdoor learning. Any monies remaining can, this year, be carried forward to next year. The PE leader will look to see how this can be spent- possibly to create a daily mile track in each playground.
