15th January 2026

Dear Parents/Carers,

We are excited to announce our upcoming **Holiday Club** for the February half term. **Children from St Paul's school, within the community, friends and family from the ages of 2-11 can also attend the holiday club.**

Please note that you are able to get support for childcare through government initiatives.

The club promises to be a fantastic opportunity for children to engage in fun, enriching activities while being cared for in a safe and welcoming environment. Children will be required to bring their own healthy packed lunch and snacks.

During this time, we will also be running cookery sessions in the morning. Children who attend the morning or all-day sessions of holiday club will be able to attend the cooking session at no extra cost

Please complete the attached booking form, an invoice will then be raised on ParentPay which is payable within 5 days. We understand that many families would like to secure places as soon as possible for peace of mind, once your invoice is paid, your child's place is confirmed. Failure to pay the invoice within the above timeframe will result in your child not being able to attend. Please note that these sessions are non-refundable due to staffing levels being based on the number of children that have booked.

If you have booked the morning or all-day session your child can arrive any time after 7.45am, whatever time suits your family circumstances, however, it must be within your booked hours. You may also collect your child before the session finish time, but please do not arrive late, after the session end time. Late collection fees will be payable.

The holiday club will run in our 'Club House', the same place as the breakfast and after school club, the main school building will be closed. Do remember that the holiday club is also open to children from outside of our school community, if you know of someone who may like a place, please ask them to contact the school for a registration and booking form.

We look forward to welcoming your child to the Holiday Club and ensuring they have a fantastic time.

Kind regards,
